REE HODGES

REE HODGES WORKS FROM AN ATELIER IN AN ARTIST COLLECTIVE IN NEWCASTLE WHICH HOUSES A GALLERY AS WELL AS STUDIO SPACES. IT WAS HERE THAT SHE HELD HER FIRST SOLO EXHIBITION, SO IT'S A SPECIAL PLACE TO BE BASED. HER ART IS CHARACTERISED BY A SOFT AND FEMININE AESTHETIC, USHERING VIEWERS INTO A PLACE OF TRANQUILITY AND INTROSPECTION. SHE DRAWS INSPIRATION FROM THE RICH TAPESTRY OF EVERYDAY LIFE, BE IT THE DELICATE SHADES OF DAWN'S FIRST LIGHT, THE RAW EMOTION OF PERSONAL EXPERIENCES OR HARMONIOUS MUSICAL RHYTHMS, ARE ALL TRANSLATED INTO SERENE ABSTRACT ARTWORKS.

/ Colour exploration is perhaps the most significant influence in my creative process. I'm constantly observing colours in my surroundings. My aim is to infuse any space with a presence of beauty, encouraging viewers to pause and discover peace, gentle reflections and comfort within my art. /
